Classic Italian with a Modern Twist

Benvenuti tutti! Indulge in the classic culinary poeries inspired by authentic [Tuscan](#) family recipes from our [chef Paolo's](#) hometown Pontedera, PI., re-invented with a modern twist. Choose from carefully picked seasonal farm fresh salads to a prime selection of cheeses combined with the perfectly matching wines hand picked by our master sommelier just to get you started. Our warm staff will guide you through the perfect gastronomic symphony whether if it's a light snack or a twelve-course meal you need. We believe that eating is an art form. Just like how a perfectly tuned orchestra conducted by a maestro performed by the best players of each instrument, our artisans bring you a delicate yet profound symphony of tastes and aromas with a signature character of a progressive post modern flavor in an enchanting atmosphere set in a cozy intimate ambiance.

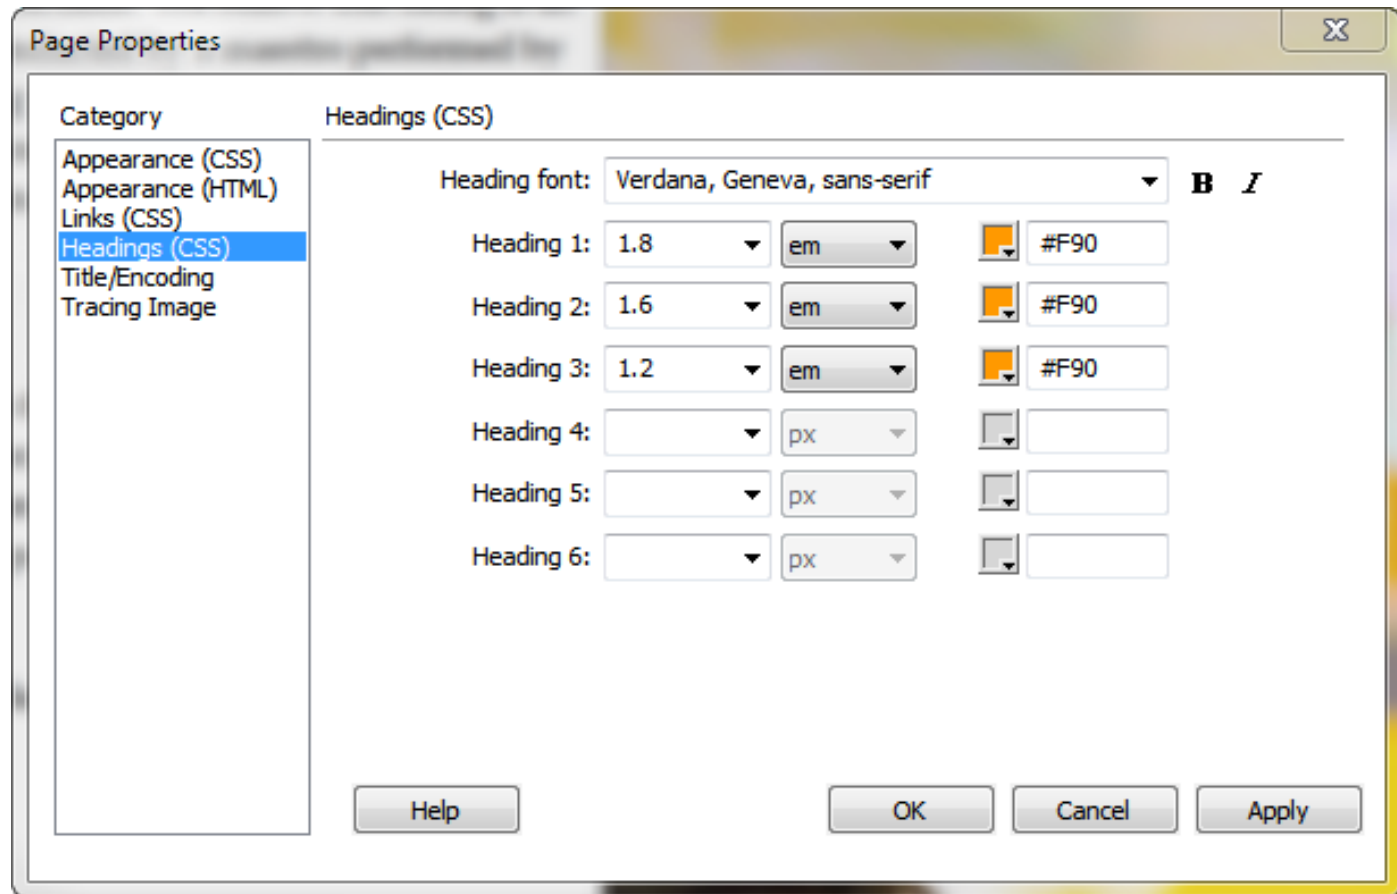

Chef Paolo's Promise

We take pride in bringing you only the best organic ingredients based on what's freshly available in season. Ristorante Paolo Belletti was awarded the prestigious Guarda Che Fico award for five consecutive years as well as being nominated for numerous Amazza awards. Our customers take home an experience they want to keep coming back for. Their raving reviews with flying colors is a testament our commitment and passion to let our food speak for itself and leave it up to your pallet to sit back and enjoy the ride.

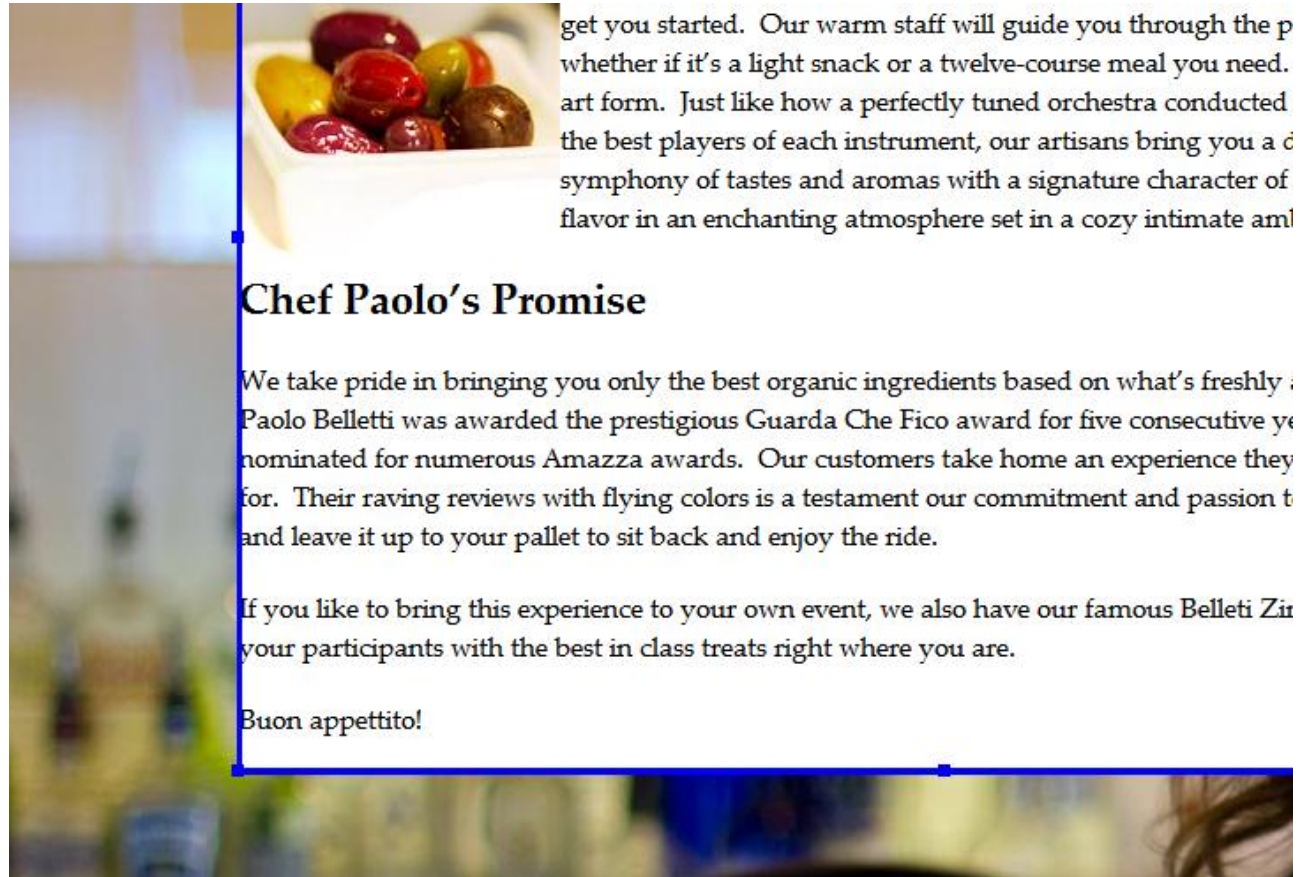

If you like to bring this experience to your own event, we also have our famous Belletti Zingaro catering service to serve our participants with the best in class treats right where you are.

Buon appetito!
